<b>Oxford Advanced Study Programs</b>	<p>One-on-one tutorials are the core of the teaching method. This student-centred mode of instruction offers a high degree of personal attention, constructive appraisal of students' learning and understanding, and encourages greater academic participation and maturity. The tutorial allows thinking to develop in a supportive environment and the opportunity to explore topics of particular interest. It is an extremely effective method that students invariably find both stimulating and productive.</p>	<a href="http://www.oasp.ac.uk/summerprogram/">http://www.oasp.ac.uk/summerprogram/</a>
